The Mechnikov Hospital has become a symbol of providing treatment not only to the military but also to civilians.

The whole of eastern Ukraine is appealing to us for help: Zaporizhzhia, Kherson, Donetsk, Luhansk and Kharkiv regions.

We do not refuse anyone

The issue of post-traumatic complications that occur after the explosion of missiles and artillery is particularly difficult

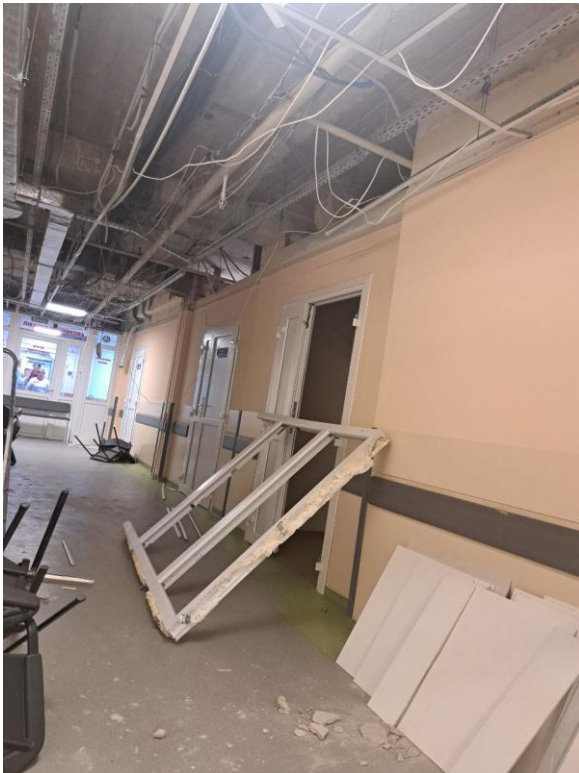

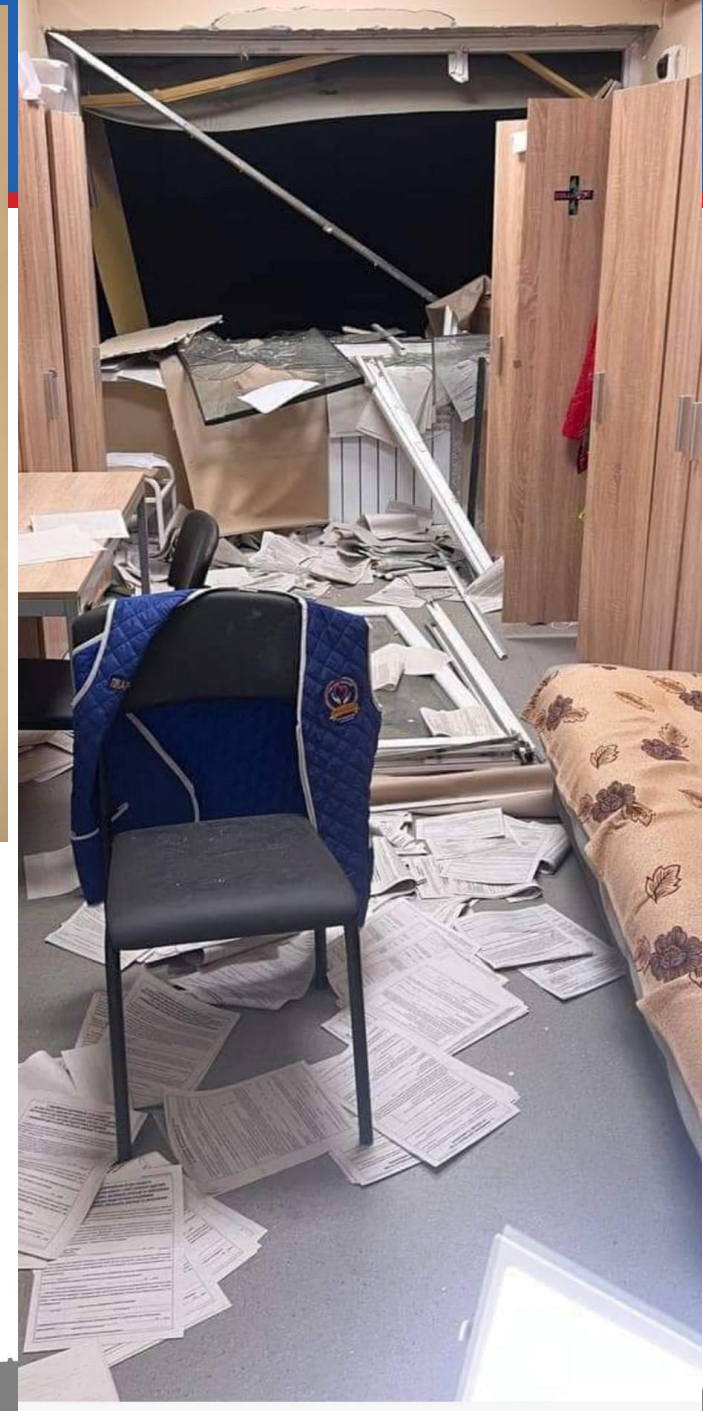

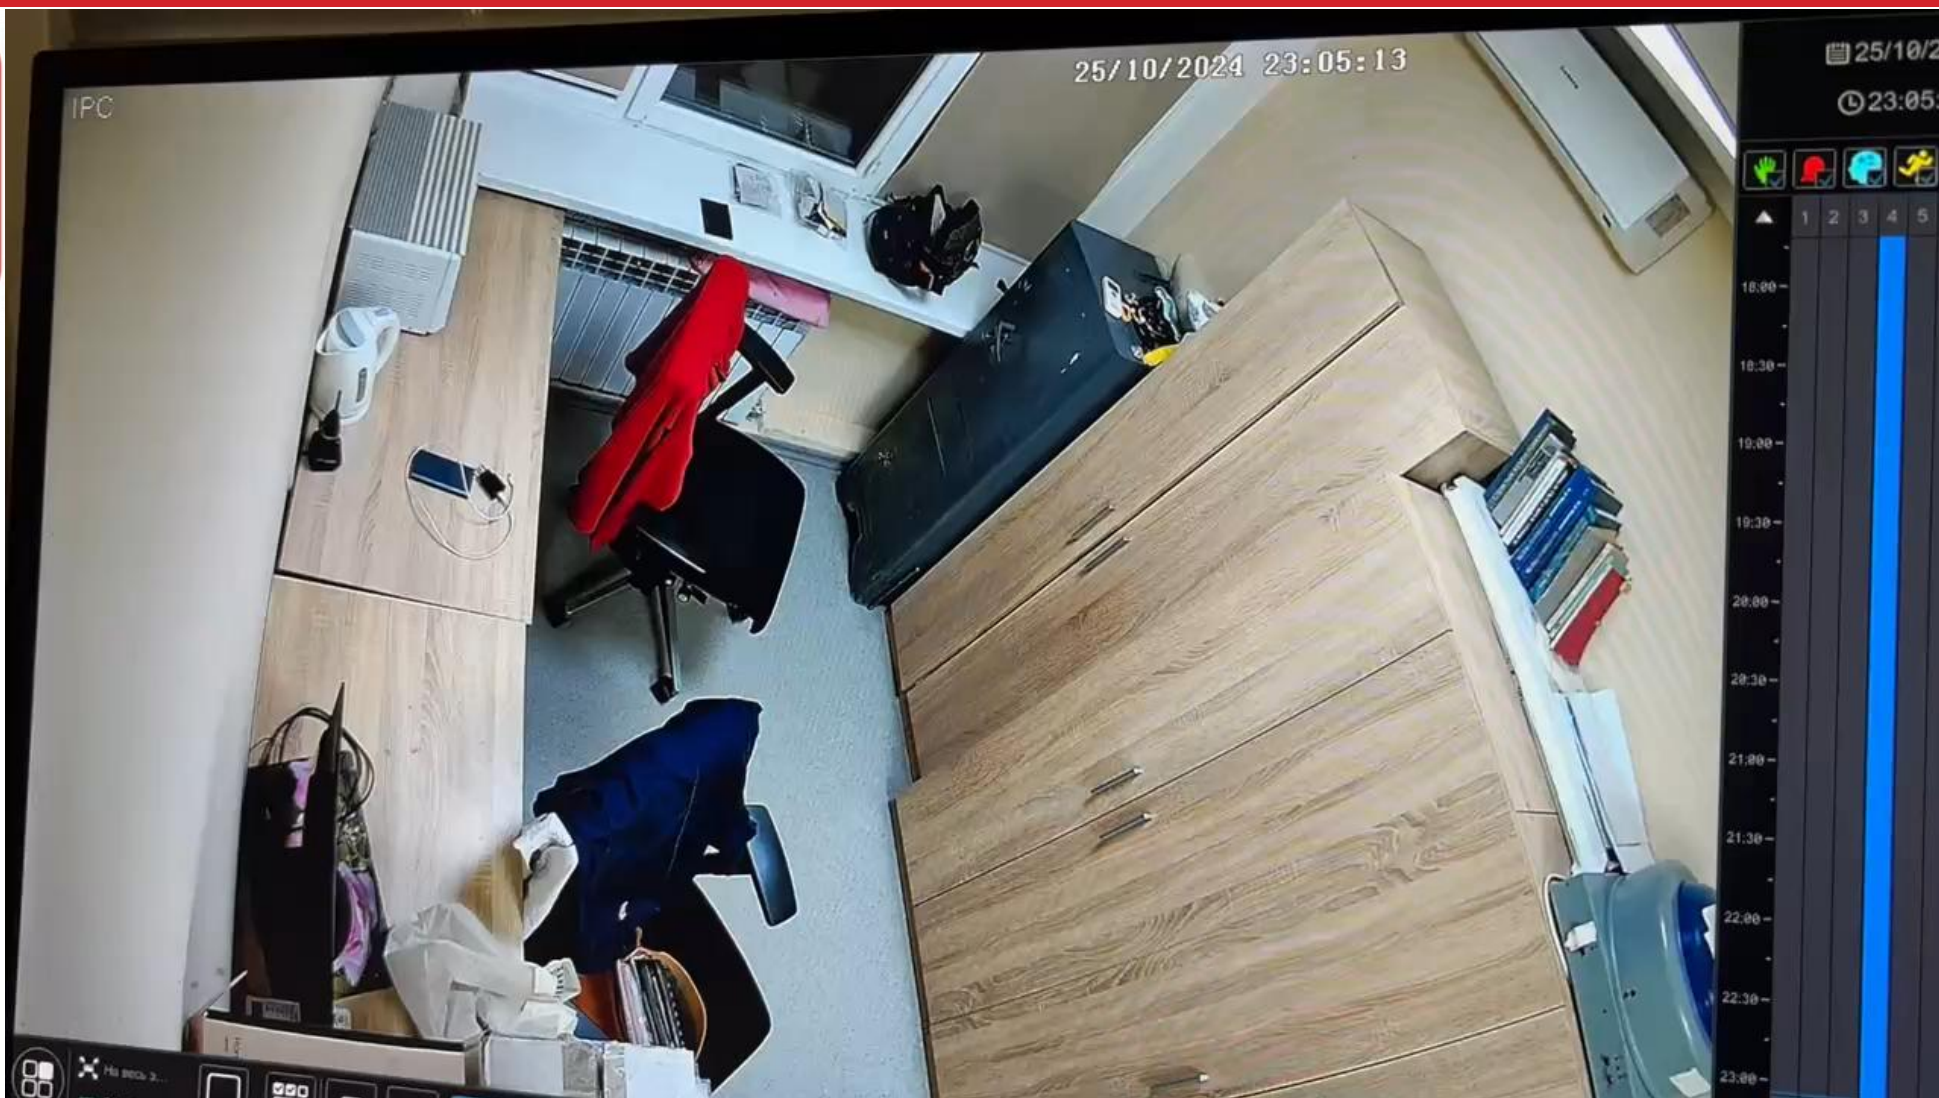

**TO FULFIL THE PRESIDENT'S ORDER, A POWERFUL 5,000 M2
REHABILITATION CENTRE WAS BUILT FOR THE HEROES RECOVERY!**

25 OCTOBER 2024, MECHNIKOV HOSPITAL SUFFERED AN ENEMY MISSILE ATTACK

WE WORK VERY HARD, EXCHANGE EXPERIENCE AND INTRODUCE NEW TECHNOLOGIES
WITH AMERICAN, FRENCH, AUSTRALIAN AND LITHUANIAN DOCTORS

Together for VICTORY!
